New Claims

Newly added claims 24-29 recite a code fragment. For the reasons discussed above regarding a code fragment, claims 24-29 are patentably distinct from Ullman. Therefore, claims 24-29 are in condition for allowance.

Conclusion

It is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited. Should matters remain that the Examiner believes could be resolved in a telephone interview, the Examiner is requested to telephone the Applicants' undersigned attorney at (310) 586-7755.

Authorization is hereby given to charge any additional fees or credit overpayment to Deposit Account Number 50-2638. Please reference Attorney Docket Number 54317-016800 when charging any payments or credits in connection with this application.

Respectfully submitted,

Samuel K. Simpson
